

INCENTIVE PROGRAM

Incentives Program for the World Phygital Community (WPC) Members

1. Program Overview:

The **WPC Incentives Program** is a performance-based initiative that rewards members for contributions in self-improvement, community support, and administration. Members earn points, achieve ranked statuses (Gold, Silver, Bronze), and gain exclusive benefits such as event access, leadership engagement, and public recognition.

2. Key Features of the Incentives Program

The program is built around three main categories of performance activities:

- **Self-Improvement** – Activities that enhance the individual performance of WPC members.
- **Community Support** – Contributions that help other members succeed.
- **Community Administration** – Efforts to assist WPC in managing and organizing the community.

3. Points System & Rollover Policy

3.1. Points Allocation

- There is a limit to the number of times certain activities can be rewarded as stipulated in the Appendix (Performance Activities).

3.2. Points Rollover

- At the start of a new cycle, a percentage of the accumulated points from the previous season will roll over, ensuring continuity in member rankings.
- The rollover percentage is determined by the member's status at the end of the season (see Appendix (Benefits) for details).
- All remaining points reset to zero, and the new cycle begins with updated ranking criteria

3.3. Points Verification & Disputes

- All awarded points will be subject to verification.

- Members may request a review within five (10) business days after rankings are published.
- After this period, rankings will be considered final.

4. Membership Status & Ranking:

4.1. Status Tiers

Members will be assigned one of three statuses based on their ranking:

For the season 2024/2025 (for GOTF-2025):

- Gold: Top 15 ranked members.
- Silver: Members ranked 16–32.
- Bronze: Remaining members.

For the season 2025/2026 (for GOTF-2026):

- Gold: Top 15 ranked members.
- Silver: Members ranked 16–50 subject to point 4.4 below.
- Bronze: Remaining members.

4.2. Ranking Validity & Updates

- Rankings are **valid for one calendar year**, tied to the tournament season.
- If a tournament season extends beyond the calendar year, the Incentives Program remains valid until the season concludes.
- Rankings reset **at the start of each new cycle**, with any applicable rollover points applied.

4.3. Key Deadlines for the 2025 Cycle

All performance activities will be counted from the date of the program's launch, while the following will be counted **starting January 1, 2025**:

- Organized non-ranking tournaments (phygital games))
- Paid the membership fee
- Established a dedicated phygital organization in the member's country
- Acted as a speaker/official representative at WPC events
- Recruited a new member

4.4. Minimum Points Requirement for Status

- Gold and Silver status will only be assigned to members who have earned points. If the number of eligible members exceeds the available ranking slots for Silver status, priority will be given to the highest-ranking members until the slot limit is reached.
- WPC commits to providing benefits for a maximum of Gold and Silver members combined as per point 4.1 above, however, this limit may be reconsidered at WPC's discretion, and any updates will be communicated to members accordingly.
- In the event that two or more members have the same number of points at the cutoff, priority goes to members who earned more points from organizing or delivering ranking tournaments.
- If further distinction is needed, WPC may introduce additional criteria and will inform members accordingly.
- Members who qualify for Gold/Silver status but do not receive a slot due to capacity limits may be offered alternative recognition or lower-tier benefits at WPC's discretion.

5. Benefits & Usage

5.1. Benefit Categories

Members earn rewards based on their performance in the following areas (see Appendix (Performance Activities) for details):

- **Event Benefits** – Exclusive participation opportunities, priority registration, and special privileges at non-competition and competition events.
- **Exclusive Access** – Invitations to WPC events, workshops, and direct engagement with WPC leadership.
- **Recognition & Awards** – Public acknowledgment, recognition, and eligibility for WPC Ambassador nominations.

5.2. Benefit Validity & Usage Rules

- A member's status takes effect upon the publication of the ranking unless WPC provides prior notice of any exceptions.
- Status remains valid for the entire calendar year based on the previous season's ranking until the next ranking is published.
- The benefits provided by WPC are counted starting from 01 January 2025, preceding the launch of the incentive program.
- Any unused benefits within the designated period will be forfeited, and WPC will be considered to have fulfilled its obligation.

- Benefits are non-transferable unless explicitly stated in the program terms.
- WPC may update the list of benefits and will inform members of any changes as soon as possible.

6. Program Amendments & Changes:

- WPC reserves the right to update the program structure to align with evolving strategic goals.
- Changes will typically take effect at the start of a new cycle and will not apply retroactively.
- In exceptional cases, mid-cycle changes may be implemented, with prior notice to all members

7. Ranking Publication & Cutoff Dates

- Points accumulation for the current season will conclude on the final day of the tournament season.
- Any activities recorded after the cutoff date will be considered for the next membership cycle if they are included in the updated version of the Incentives Program for the next year.
- The final member ranking table will be published no later than 10 business days after the team rankings are released.

8. Member Responsibilities & Compliance

Members are expected to:

- Participate in good faith and adhere to community guidelines.
- Uphold the integrity of WPC and its values.
- Avoid fraudulent activity, misrepresentation, or rule violations, which may result in disqualification and forfeiture of benefits.

APPENDIX (Performance activities)

#	PERFORMANCE ACTIVITIES	Max Occurrences for Points Allocation	POINTS	Description of the activity	Verification	Submission Deadline	Submission Source	Point Allocation Deadline
	SELF-IMPROVEMENT ACTIVITIES							
	RANKING TOURNAMENTS
