Tournament by WhiteBird

Our team is creating the first media phygital football tournament in Belarus. The tournament will take place in winter 2026 among media clubs under phygital football rules. We aim to develop phygital sports in our country and want to popularize it among the new generation. Tournament Instagram link: <https://www.instagram.com/white.media.league/>

WhiteBird is a member of the WPC

Our team ranks 9th in the WPC ranking among phygital football teams for 2024/2025. At the Games of the Future in Abu Dhabi, our team reached the round of 1/8 stage.

The poster features a dark blue background with white and light blue text. At the top left is a stylized logo, and at the top right is the 'WPC' logo. The title 'ФИДЖИТАЛ ФУТБОЛ ЧЛЕН WPC СЕЗОН 2024/2025' is centered at the top in a light blue font. Below the title is a two-column list of 16 teams, each with a number, a team name in a stylized font, and a country name in a standard font. The teams are ranked from 1st to 16th. The 9th ranked team, 'FG WHITEBIRD', is highlighted in white text, while the others are in light blue. The bottom of the poster has a decorative geometric pattern in white and light blue.
