FUT Academy received 1.400+ applications in 2020 for PUBG Mobile, 3.200+ applications for VALORANT in 2022 and 600+ applications to become a member of the FUT Talent. FUT Academy offers professional coaching, English classes and brand management for the youngsters, helping them reach their potential.

FUTHOUSE ISTANBUL

Located in Beşiktaş Akatlar, FUTHOUSE offers an area of **1.230 m²** for esports and gaming. This makes the place one of the largest gaming houses in Europe. 5 teams and 23 people can accommodate and bootcamp at the same time. FUTHOUSE hosted teams like Fnatic, Team Secret, NAVI, DRX, Talon, Tundra, Leviatan and G2. There are 13 cameras for security and content purposes. There is a professional studio for branded streams, photo and video shooting. There is an event space of more than 200 m² where watch parties and launch events are organized.

FUTHOUSE BERLIN

Located in Berlin Adlershof the second gaming house is app. **600 m²**. There are 13 rooms in the entire floor, 11 rooms for players and content creators and 2 esports rooms for bootcamps. As a partner team in VALORANT, our players compete from Berlin and have to stay there for the duration of the season. Also other international rosters like PUBG and Brawl Stars are using this facility to prepare for the big tournaments. There is also an event space on the roof, where we can organize some gatherings and events, and also bbq parties.

FUT Esports organized the **biggest esports team event** with **4.500 fans** in Türkiye. The fans gathered together to watch the VALORANT match between FUT Esports and BBL Esports in Harbiye Acik Hava Tiyatrosu, the most famous concert venue in Istanbul.

FUT Esports celebrated the victory in passion together with some celebrities from the gaming, sports and music world.

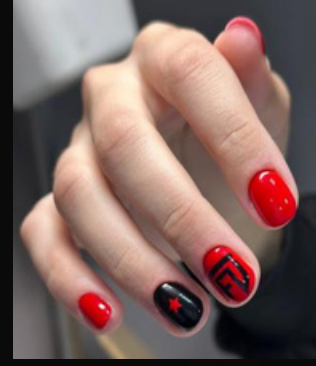

FUT Esports content creator **Selim Hamid** filmed a whole VALORANT season and created a documentary available in Turkish, English and Arabic subtitles. The documentary was premiered in his YouTube channel during an event with all the fans together.

FUT Esports, started and announced **the membership program** in 2024 and reached **14.900 members** within the short period of time. The program offers loyalty and activity points in the hub where the fans race against each other to win prizes or use these points to buy some exclusive pieces which are not for sale in the online store. The platform is blockchain based and treats every member as a digital identity awarding them with points after participating in events and in-hub surveys. The target for 2024 was to reach 5.000 members but we already surpassed this target within 7 months. We now aim to reach 20.000 members in 2026.
