

TT Team

Competitive Dota 2 — Built to Qualify

A proven roster competing across Russian, Eastern European, and European Pro Leagues — with a track record of podium finishes and a clear path to the next level

Recent Achievements — TT Team

RESF Open Cup 2024

2nd Place — Russian Esports Federation Open Cup. Strongest showing in the team's history at a national-level tournament.

ACG International 2024

1st Place — Almaty Cyber Games International. Championship victory on the international stage.

PGL Wallachia S3

Qualifying Finalists — Eastern Europe Open Qualifier 2. Reached the final stage competing for a Closed Qualifier slot.

D2CL Season 16

5–6th Place — Dota 2 Champions League S16 (as Team No Vision). Top-six finish in a premier league.

European Pro League — Consistent Presence

TT Team has maintained a continuous presence in the European Pro League, demonstrating competitive consistency across multiple seasons against established regional opposition.

EPL Season 22 — 7–8th Place

Upper-mid table finish in one of Europe's most competitive Dota 2 leagues.

EPL Season 23 — 9–12th Place

Solidified league presence with continued participation at the European level.

Legacy & Academy — The Foundation

TT Team's competitive roots run deep. Under previous banners including **Arcred** and **Team Uzbekistan**, the organization has consistently placed at major events. The **TT Academy** program further develops emerging talent through dedicated cup victories.

Arcred — RESF Open Cup 2021

3rd Place — Podium finish at the Russian Esports Federation Open Cup, establishing early competitive credibility.

Team Uzbekistan — Student Circuit

2nd Place at SCO Students Cup 2022 and **5–8th** at Open Esports Student Games 2025.

TT Academy 1 — TT Bloody Cup & TT HyperX Cup

1st Place at both the TT Bloody Cup and TT HyperX Cup — proving the academy pipeline delivers results.

Why Invest in TT Team

Proven Track Record

Multiple podium finishes across RESF, D2CL, ACG Inte International

Regional Presence

Active in Russian, Eastern European and European leagues

Academy Pipeline

TT Academy cup victories demonstrate talent development

Tournament Ready

PGL Wallachia qualifier finalists, positioned for major event qualification

The Opportunity

TT Team has the competitive foundation, the organizational structure, and the regional presence to qualify for premier Dota 2 tournaments. Investment now positions partners at the ground floor of a team with demonstrated upward trajectory.

→ Qualified for and reached finals in major open qualifiers

→ Multiple international and regional podium finishes

→ Active academy system producing cup-winning rosters
